

MEMORANDUM

TO: BOARD PRESIDENTS

**FROM: SALLY HOWELL, J.D.
EXECUTIVE DIRECTOR**

DATE: DECEMBER 2010

SUBJECT: SCHOOL BOARD RECOGNITION MONTH

As part of our annual School Board Recognition Month, AASB is putting customizable certificates and promotional materials online for your use. You may personalize the certificates using the online template to either give them to your superintendent for distribution or to distribute them to your fellow board members yourself. We ask that they be distributed, if possible, at your January board meeting since School Board Member Recognition Month is observed nationally in January.

The remainder of the materials for celebrating School Board Member Recognition Month, including sample letters to board members' employers, sample editorials, and a list of ideas for honoring board members, will also be posted online, www.AlabamaSchoolBoards.org.

If you have any questions, please don't hesitate to call me. We appreciate all you and your fellow board members do for the children of our state.
