AASB Annual Convention

Criteria/Guidelines

SELECTION CRITERIA

To be considered for a performance at the AASB Annual Convention, proposals must meet the following criteria:

- Finalists will be selected and posted on social media for your schools and communities to vote.
- The group/individual performance should be no longer than 15 minutes.
- The number of performers should not exceed 20 students.
- The school/system/organization must be able to cover travel cost.
- We will only be providing microphones. The hotel cannot connect the group's electronic equipment to the hotel sound system.

PROPOSAL GUIDELINES

The audience for the performances will be approximately 500 local school board members and superintendents from across Alabama.

- While music selection is the option of the director, please limit the use of religious selections to one holiday song mingled with other seasonal favorites.
- Rehearsal and dressing spaces are not available at the hotel.
- Equipment used for the performance should remain in the meeting room until the end of the general session if it has to be disassembled.

PRESENTATION DETAILS

The performance will be at the beginning of one of the convention's general sessions (on **Friday, 8:30 a.m. and 3:30 p.m.**). Shortly after the beginning of the session, your group/individual will be introduced to begin the performance. Following the performance, your local school board and superintendent will be recognized. The student performers may then leave the meeting in an orderly fashion.
