August 12, 2026

Attn: Dr. Chad Holden
Alabama Association of School Boards

This should serve as my letter of interest for the AASB District 1 Director position that is coming up for election this October 2026. I have been blessed to be able to serve the Satsuma City School System as a Board Member since late in 2019. Prior to that time, I served the City of Satsuma on the City Council from 2012 – 2016. While on our school board, I have served 3 of these years in the role of Vice President and another year as the President. Currently, I serve as a Trustee for ATBE and previously I enjoyed serving for 2 years as the District 1 Representative on the Advocacy Committee. Having just got my feet wet over the past 3 months in this position, I would like the opportunity to be elected to a full 2 year term in order to continue advocating for the needs of District 1 and our students across the State of Alabama.

If there are any questions, feel free to reach out to me at mdial@satsumaschools.com or by cell phone at 251-604-4767.

Sincerely,

Matt Dial
Satsuma City School Board Member
