Hello,

My name is Bill Squires and I am the current District 7 Director.

I am a lifelong resident of Tuscaloosa County and a 1977 graduate of Brookwood High School. My wife, Rhonda, and I have been happily married for 47 years and are blessed with two sons and four grandchildren.

Throughout my adult life, I have been deeply committed to serving my community. I have served multiple terms as a Brookwood City Councilman and have represented the Brookwood community on numerous civic boards and committees.

I retired from Walter Energy after 37 years of dedicated service, where I served as a maintenance manager. In 2017, I began a second career with the City of Brookwood, where he currently serves as Chief Building Inspector and Zoning Administrator. In addition to these responsibilities, Bill oversees and manages the activities and maintenance of Brookwood City Park.

I was appointed to the Tuscaloosa County Board of Education in 2021 and was elected to a second term in 2024. My commitment to the Tuscaloosa County School System is rooted in a genuine love for the students, educators, administrators, and the communities it serves.

I am interested in continuing to serve as the District 7 Director because I am passionate about the future of not only the Tuscaloosa County School System but all the school systems in the District 7 region. Our goal is to help ensure that our students receive the very best educational opportunities possible. I am committed to supporting teachers and administrators, strengthening the school system, and working collaboratively to make a positive difference for the children and families in District 7.
