Customized Board Retreats

6 hours | Starting at \$999

A fully customizable workshop at a location of choice, this comprehensive workshop equips school board members with both the knowledge and practical tools to lead effectively and confidently.

Through engaging discussions, real-world scenarios, and interactive activities, school board members will gain a deeper understanding of their governance responsibilities and the critical role they play in student success. Attendees will leave with actionable strategies based on the training topics chosen that can immediately be applied to strengthen board effectiveness and support the district's goals.

Call to discuss training options and pricing!

The free training sessions are available beginning October 1, 2026.
